## INSTRUCTIONS

Thin down the colors that you want to use for stripes with 50% water to 50% paint.

If you're going to use the banding wheel to apply the stripes, center the egg cup in the middle of the banding wheel and gently spin. Load the brush with your desired color and touch the spinning egg cup with the brush. As the cup turns, the paint will go around to create a stripe.

You can also do this by just painting stripes around the cup.

Green Striped Cup:

Colors used are: Gecko Green and Guacamole

Pink Striped Cup:

Colors used are: Chiffon, Pretty In Pink, Carrot Juice, Guacamole, and Gecko Green.

Polka Dot Cup:

Paint 3-4 coats of Pretty In Pink and allow to dry. Then dip the handle of a brush into Blush, Guacamole, or Carrot Juice and tap on the side of the cup to make dots.

## TIPS

- Pretty in Pink is a translucent color and benefits from an additional coat.
